RESPONSIBILITIES OF STUDENTS:

The OC Turkish School is a place for learning. Although it is an extra curricular program, to make it a fun, enjoyable and knowledge enrichment place, we expect our students to:

- Attend classes on time.
- Pay attention to teachers, staff and volunteers on duty.
- Respect teachers and fellow students.
- Actively participate in classes.
- Do not run out of the classroom and make loud noise during recesses (children's classes).
- Finish and turn in homework assignments on time.
- Silence all cell phones and mobile communication devices before entering in the classroom.
- Notify classroom teacher at least one day in advance, if unable to attend school.

RESPONSIBILITIES OF PARENTS:

The students, teachers, school committee, and parents together form the OC Turkish School community. To make the school program a success, parents' involvement is crucial. We ask that the parents:

- Bring children to school on time and pick them up immediately following each class. (The School is not intended as a baby sitting service.)
- Make sure to **SIGN IN & SIGN OUT** your child on each school day before entering/exiting the classroom.
- Make sure children understand the School's responsibilities of students (see above).
- Make sure children complete and turn in homework assignments on time.
- Notify classroom teacher one day in advance, if your child is unable to attend school.
- Communicate with teachers and the committee about issues related to learning progress, students' needs, overall school operation, as well as suggestions for improvements.
- Bring snacks and small bottle water on assigned day enough for children in your child's class.
- Assist the teachers as the *School Coordinator* on the assigned school days.
- Actively participate and volunteer in school-organized activities such as teacher/parent meetings, school meetings, social activities, fundraisers, and other special events.
